UK
WIDE

2-3
HOURS

PHYSICAL
ACTIVITY

Remember the good old days of your School Sports Day? The fun, the competitiveness, and the glory! Why not re-live those days with your very own team building sports day event?

Our School Sports Day event will bring out your inner child. It's a blast from the past event, which everyone can really enjoy and get stuck into. We guarantee it will really have your team in stitches all the way to the headmaster's office, just don't forget your kit otherwise you might have to do it in your pants!

All of the games during the day are exactly how you remember – just without the grumpy teachers and the school bully. So this is your chance to take part in some competitive sporting activities with the aim of winning medals, prizes and pride.

If you want to combine the best of corporate events and sports day activities, this is the one for your company!

GAMES INCLUDE:

- School Sports Day Races
- Human Table Football Inflatable
- Giant Games
- Field Games
- Tug O war
